### NKJ contributes to Nordic research in One Health

Five networks in one Health will arrange workshops, meet and write joint large scale applications, all to bring Nordic researchers closer together and make the best out of our common knowledge.

[Tell me more!](#)

### OPEN CALL for networking activities in agriculture

Conference, networking meetings or larger scale applications? We will fund networks in agriculture and climate in 2020-2021. The focus areas are soil as a carbon sink, alternative proteins, arctic agriculture and climate and extreme weather. We also encourage networks with focus on other aspects of Nordic agriculture and food research to apply for funding.

[Deadline for application is January 15th 2020](#)

### NKJ interconnects researchers in the Nordic countries

Matchmaking day for agricultural researchers serves the vision of NKJ: to support cooperation in Nordic science. We want to give the opportunity to meet, learn and connect. Watch out for next occasion - there will be one!
