## Registration is open for the Nordic Wild Berry and NTFP Conference

Welcome to the Nordic Wild Berry and NTFP Conference to explore the role that wild berries and non-timber forest products (NTFPs) play in shaping the Nordic way of life. These natural treasures are not only an important part of our cultural heritage but also a tool to promoting sustainability, well-being, and economic opportunities in our region.

Participate to explore, learn, and connect with professionals across the Nordic wild berry and NTFP sector!

**Time:** 7-8 October 2025

**Place:** Rovaniemi, Finland

## Report: The state of reindeer husbandry in the Nordic region

The reindeer husbandry working group/NKJ and NIBIO recently organized the Nordic Conference on Reindeer Husbandry 2025 in Alta, Norway.

A new report gives an overview of the topics and the views presented at the conference. As an introduction, we provide a brief description of reindeer husbandry in Finland, Sweden and Norway, to show differences and similarities.

NORDIC TESTBED NETWORK

## 4

Arctic Off-Road Robotics Laboratory Field Roadshow  
Date: October 8th 2025

Join us for an exclusive roadshow in Umeå – a key part of a cutting-edge excursion organized by the Swedish University of Agricultural Sciences (SLU), the Swedish cluster of forest technology, and Luleå University of Technology (LTU). This unique event highlights the latest advancements in digitalization and next-generation technologies shaping the future of forestry.

Get an inside look at the Arctic Off-Road Robotics Laboratory (AORO) and its state-of-the-art field test infrastructure, purpose-built for research on autonomous off-road vehicles. Witness live, full-scale demonstrations of autonomous forestry technologies in action. This roadshow is a must-attend for stakeholders engaged in R&D, innovation, and deployment of next-gen autonomous machines in forestry and beyond. Additional forestry solutions and innovations will also be

**Preliminary program**  
09:00 Introduction & coffee  
09:30 Demonstrations at different stations  
12:00 Lunch  
13:00 Demonstrations at different stations  
15:30 Wrap Up & coffee  
16:00 End

showcased throughout the event.  
Don't miss this opportunity to connect with leading experts and see the future of autonomous forestry in motion!

Sign up here!  
**Deadline: September 24<sup>th</sup>**

**Practical information**  
- Time: 2025-10-03 between 09:00-16:00  
- Place: 30 km southwest of Umeå (63°48'50.6"N 19°40'54.6"E)  
- Deadline for sign up: September 24<sup>th</sup>  
- How to get there: Preferably by car

**Organizers:**  
Swedish University of Agricultural Sciences (SLU)  
Swedish center of forest technology  
Luleå University of Technology (LUT)

## Agroecology Europe Forum 2025, October 2-4: join the NKJ/NordGen event day 2

NKJ is one of the partners in Agroecology Forum 2025! Join our workshop, and the NordGen field visit, in the afternoon of day 2!

In the NKJ workshop you will get some insight in the Nordic cooperation in agriculture and food, and meet some of the researchers taking part in Nordic research cooperation. Why is it so effective to cooperate among neighbours? What is the success factor? And what does it take to make cooperation possible?

## Nordic Conference on the Challenges of Land Use

How can we balance the multiple needs of land use in the Nordic region? Nordic Agri Research (NKJ) and Nordic Forest Research (SNS) invite you to a conference where challenges and opportunities in land use will be discussed from both research and policy perspectives.

**The Nordic Land Use Conference**  
– solutions for sustainable land use in the Nordic region

**Place:** Swedish University of Agricultural Sciences, Alnarp, Sweden

**Time:** 10-11 December, 2025
