# ROADSHOW

NORDIC TESTBED NETWORK

## 4

**Arctic Off-Road Robotics Laboratory Field Roadshow**  
Date: October 8th 2025

Join us for an exclusive roadshow in Umeå – a key part of a cutting-edge excursion organized by the Swedish University of Agricultural Sciences (SLU), the Swedish cluster of forest technology, and Luleå University of Technology (LTU). This unique event highlights the latest advancements in digitalization and reforestation technologies shaping the future of forestry.

Get an inside look at the Arctic Off-Road Robotics Laboratory (AORO) and its state-of-the-art field test infrastructure, purpose-built for research on autonomous off-road vehicles. Witness live, full-scale demonstrations of autonomous forestry technologies in action.

This roadshow is a must-attend for stakeholders engaged in R&D, innovation, and deployment of intelligent autonomous machines in forestry and beyond. Additional forestry solutions and innovations will also be showcased throughout the event.

Don't miss this opportunity to connect with leading experts and see the future of autonomous forestry in motion!

Sign up here!

Deadline: September 24<sup>th</sup>

**Practical information**

- Time: 2025-10-08 between 09:00-16:00
- Place: 30 km southwest of Umeå (63°48'50.6"N 19°49'54.6"E)
- Deadline for sign-up: September 24th
- How to get there: Preferably by car

**Organizers:**  
Swedish University of Agricultural Sciences (SLU)  
Swedish cluster of forest technology  
Luleå University of Technology (LTU)

**Preliminary program**

- 09:00 Introduction & coffee
- 09:30 Demonstrations at different stations
- 12:00 Lunch
- 13:00 Demonstrations at different stations
- 15:30 Wrap Up & coffee
- 16:00 End

## Nordic Land Use Conference: Call for posters

We are welcoming the scientific community, national agencies, municipalities, NGOs etc to submit poster for the Nordic Land Use Conference. The aim of the poster session is to showcase initiatives on sustainable land use from the Nordic region and beyond.

The posters will be exhibited during the conference, and a poster session will be held on the first day of the conference. The poster will also be included in the conference summary report that will be published as an output to the conference.

**Submit** your proposal for poster in either pdf-format or ppt-format by email to [nkj@slu.se](mailto:nkj@slu.se) and we will get back to you as soon as possible to confirm its acceptance. The deadline to submit your poster is November 3rd.

Conference registration deadline is November 19.
