

Nordic Conference

on the challenges of land use

Call for posters

We are welcoming the scientific community, national agencies, municipalities, NGOs etc to submit a poster for the Nordic Land Use Conference. The aim of the poster session is to showcase initiatives on sustainable land use from the Nordic region and beyond.

The poster can for example showcase a research project, policy development or a development project. Topics of interest include, but are not limited to, the following:

- Land use & energy production
- Functional landscapes
- Spatial tools for land use planning
- Stakeholder dialogues for sustainable land use

The posters will be exhibited during the conference, and a poster session will be held on the first day of the conference. That will also be included in the conference summary report that will be published as an output to the conference.

Authors of accepted posters are expected to print their posters and to exhibit them during the conference. Poster presenters are given a reduced conference fee.

Submission

Submit your proposal for poster in either pdf-format or ppt-format by email to nkj@slu.se and we will get back to you as soon as possible to confirm its acceptance. Posters must be in standing format, and either of A1 size, or 70 cm wide, 100 cm high. The deadline to submit your poster is November 3rd.

Conference registration deadline is November 19.
