## Experts will elevate field trials in collaboration

Nordic experts are now joining forces in a new network to share knowledge and improve the statistics in field trials – and they're looking for more members!

Whether you're a statistician, researcher, or involved in trial design, this is your chance to learn, innovate, and collaborate.

[The network is free to join](#)

## TARANDUS conference strengthens preparedness and resilience in reindeer husbandry

TARANDUS Conference 2026, 10-12 February in Luleå, Sweden, gathered reindeer researchers from Finland, Norway, and Sweden and further afield to present and discuss reindeer welfare, health and resilience. Did you miss out on the conference? Download the abstract book!

The long-term goal for the conference is to strengthen preparedness and resilience in reindeer husbandry.

## Five Nordic role models highlight the future of rural entrepreneurship

Young rural entrepreneurs across the

Nordic countries are showing how innovation, tradition and community engagement can go hand in hand. A new report, *Inspiring rural entrepreneurs: Five Nordic role models*, presents five personal stories that illustrate how rural businesses can thrive despite demographic, structural and economic challenges.

The report builds on previous Nordic policy work on farm diversification and youth engagement. It responds to pressing concerns facing rural areas, including urbanisation, an ageing workforce, skills mismatches and difficulties in attracting young people to rural careers.
